

## Bracelets & Cuffs

Measure the circumference of the wrist just above the wrist bone with a flexible tape measure to determine your bracelet and/or cuff size.

Should you not have a tape measure handy, we offer a [printable version](#) for your use. Match the measurement of your wrist to the correlating size on the below chart.

Fixed Lengths		Adjustable Lengths	
SIZE	INCHES	SIZE	INCHES
S	6.5, 6.75	S	5.5 to 6.5
M	7, 7.5	M	6.5 to 7.5
L	7.75, 8.5	L	7.5 to 8.5
