

BRACELETS & CUFFS

Measure the circumference of the wrist just above the wrist bone with a flexible tape measure to determine your bracelet and/or cuff size.

Should you not have a tape measure handy, we offer a [printable version](#) for your use. Match the measurement of your wrist to the correlating size on the below chart.

FOR WOMEN		BRACELETS	FOR MEN	
CENTIMETERS	INCHES	WRIST SIZE	INCHES	CENTIMETERS
15.8	6.25	SMALL	7.0	17.8
18.4	7.25	LARGE	8.0	20.3

*Moving up one size is recommended for link (non-chain) bracelets.
