

## Ring Comparison

If you have a ring with a known size, print this page and match one of the circles below with the inner edge of one of your rings.

### IMPORTANT

To ensure that this chart is printed to scale:

1. From your web browser - Deselect **Fit to Page** and ensure **Scale** is 100%.
2. From your computer, if downloaded - Select **Actual Size**.

Once printed, please measure the below rulers to ensure that they are exactly 1 inch and 10mm, respectively.
